Marc,

Cheryl heard today that Donna asked Yvette to reach out to safety contacts/FPS' about any indications of safety concerns for next week outside of the DC area/inauguration events. They may have news of extra steps such as locking additional doors, etc. I asked if they could also share news in a way we might be able to include in regional messages, along with reminders about the expectation of continuing to telework. In addition to sharing anything you hear from Yvette, please reach out to Gina and FPS and see if they have any concerns/instructions to pass along.

Thanks,

Amy Sanders
